

What's in... Science teacher Amanda Crews's Desk

Picture of Mr. (Kevin) Jones:
It's our mascot.

Witch hat:
I'm a *Harry Potter* fan.

Rooster (driving a convertible):
It's a chick magnet.

Pointer:
For when I need to point at things.

Pill bottle:
It's where I keep my eye balls.

Barbie:
My daughters like her.

Box of Army men:
They keep Barbie company.

Pigs on a tank:
Toy Story gone wrong.

Tractor (with cow driver):
Cow stole the tractor.

Reindeer:
Rachel Cadle made it for me.

- Respiratory Care

NEW NURSING PAVILION: Fall 2012

The new James W. and Phyllis A. Robinson Nursing Pavilion provides Ivy Tech students with access to state-of-the-art healthcare education technology. With a two bed simulation suite and a computer lab, our 3,000 square foot facility can replicate settings like ICU, ER, OB and neonatal units, as well as essential medical and surgical applications. This cutting edge technology closely simulates what our students will face in real-world settings, giving them invaluable experience and a head start in their careers.
